GOVERNMENT STATIONERY DEPOT, BANGALORE.

ECONOMY IN THE USE OF PAPER.

Dated 24th October 1916.

The attention of Heads of Departments, and of all officers and officials using Government paper, is drawn to a notice issued by His Majesty's Secretary of State for India, to the effect that most of the available supply of bleaching powder in the United Kingdom is being requisitioned for military purposes and that the supplies of this article to the paper mills in this country will, therefore, be severely restricted.

As this is likely to result in a great shortage in the manufacture of white paper in this country, it is requested that the use of white paper be reduced to the utmost.

The Superintendent of Stationery requests that old book covers and file boards should be sent to the Press, instead of being destroyed, so that, wherever possible, they may be rejuvenated.
